

Discover Kent's Museums and Heritage venues

There are **57** museums and heritage venues taking part in the 2024 Wheels of Time scheme across Kent and Medway. Each participating venue has a unique badge for our learners to collect when you visit.

Collect 10, 20, 30, 40 or all 57 badges, exclusively found at each participating museum or heritage venue, and receive special Award Badges along the way.

This is an exciting way to learn about History and have a fun day out. Kent has so much to offer, right on our doorstep!

Follow this link for more information about where you can visit next as a family and keep us updated about the badges you manage to collect:
