

Kent Libraries

Headcorn Library Temporary Closure and Mobile Library Visit

Headcorn Library remains temporarily closed due to essential roof repairs.

These works are necessary to ensure the safety and comfort of all visitors, and we are working closely with contractors to complete them as quickly as possible.

To support customers during this closure, we're once again bringing the Mobile Library to Headcorn on Monday 23 March and Monday 13 April from 10am to midday at Parsonage Meadow, Church Lane TN27 9NR.

All current loans will continue to be automatically extended during the closure.

We will reopen as soon as it is safe to do so.

Thank you for your understanding.
